# Benefits of joining our memberships

Our dental memberships encourage regular visits to maintain healthy teeth and gums for life, identifying potential issues early to prevent costly treatments. By becoming a member, you can spread the cost of routine care through affordable monthly Direct Debit payments. This is more cost-effective than pay-as-you-go appointments and secures your place at our practice. You are guaranteed:

**Dental health examinations:** Thorough assessments for optimal oral health, X-rays when necessary, and regular clinical checks for early oral cancer detection.

**Hygiene appointments:** Routine plaque removal, expert advice to prevent decay and gum disease, fresher breath, and a brighter smile for improved self-esteem.

**Global Dental A & E Scheme enrolment:** This discretionary scheme provides patients with dental care or treatment assistance in the event of a dental accident or emergency.

**Preferential fees & benefits:** Get a discount on routine treatments and enjoy longer appointments with your dentist and hygienist. For a list of additional benefits, ask the practice team for details.
